

TEACHING CONTEXT (CLASS COMPOSITION):

Grade 10 boys PE. Relatively good athletes and good listeners.

Grade 11/12 PE. Senior classes have both genders. Again, good athletes, but the senior class has more "personality".

SUMMARY STATEMENT:

Charlotte has made many positive impressions on the staff and students at Mount Boucherie while completing her first practicum. She is professional and personable with a good sense of humour. It is evident that she wishes to exceed in teaching and that she has the tools to do so. She shows initiative, is reliable, responsible, and is willing to put in the hard work to be successful. She projects a confident presence in front of the class but is not over confident. Her lesson planning is outstanding and she is developing the skills to be adaptable when things don't go as planned.

I have no doubt that Charlotte will become an excellent teacher and I look forward to hearing how she does in the future. Good job Charlotte!
