To whom it may concern,

I confirm that I have known Danie Proby for 5 years.

I met Danie playing the sport of Ultimate Frisbee. Over the course of our friendship we have been not only teammates, but for the last three years I have also been her coach while she has been one of the captains and leaders of the University of Victoria's women's Ultimate team.

As a teammate, I found Danie to be dependable, hard-working, conscientious, honest, and courteous (and also a lot of fun!).

As a leader, I have found Danie to be enthusiastic, caring, compassionate, and determined. She is a strong and effective communicator, and someone who truly thinks of the team first, possessing a strong vision and grasp of "the big picture". She is a fierce competitor who never loses respect for her opponents or teammates. She is generous and fair. She is energetic, tireless, and an unstoppable positive force.

Any team (of any sort) is lucky to have her.

I'm happy to provide further information if required.

Regards,

Kevin Bruleigh
