### Areas of improvement noted:

### Suggested areas for continued growth:

Continue to emphasize the learning targets in all assignments

### Teacher Candidate's Self-Evaluation

#### Three areas I will address in the coming weeks:

1. Design & implement units that anticipate late or absent assignment
2. Balance criteria of assessment to more accurately assess the learning targets
3. Be more assertive with student regarding the expectations in participating in PE.

### Summary Statement by Supervisor

Steve has had a very strong and positive start to his practicum. His comfort level in front of the class demonstrates his confidence and competence as a teacher. He conducts himself in a very professional manner. Steve is conscientious in his planning and preparation. He is very receptive to suggestions and quickly applies those suggestions in his teaching.
